

2015 Dodecahedron Cartographic Review

Writing, Layout, Cartography, Cover Design and all that other stuff
DYSON LOGOS

This volume of the Cartographic Review is exclusive to the PDF edition and contains only the maps and titles, with all text removed. Some maps have been resized to try to take up as much room as possible on each page - however the reality is that I don't try to fill a page when drawing maps, so many pages herein contain significant quantities of white space.

Many of the maps are actually significantly larger now in this edition than when they were originally drawn. This makes every little squiggly line and mistake twice as visible as they were on the drawing board, so please have mercy on my shaky hands.

Enjoy!

The Temple of Greed

Titan's Teeth

The Summoner's Lair

Jebbal's Tor

The Prismatic Fortress

Return to the Lair of the Frogs

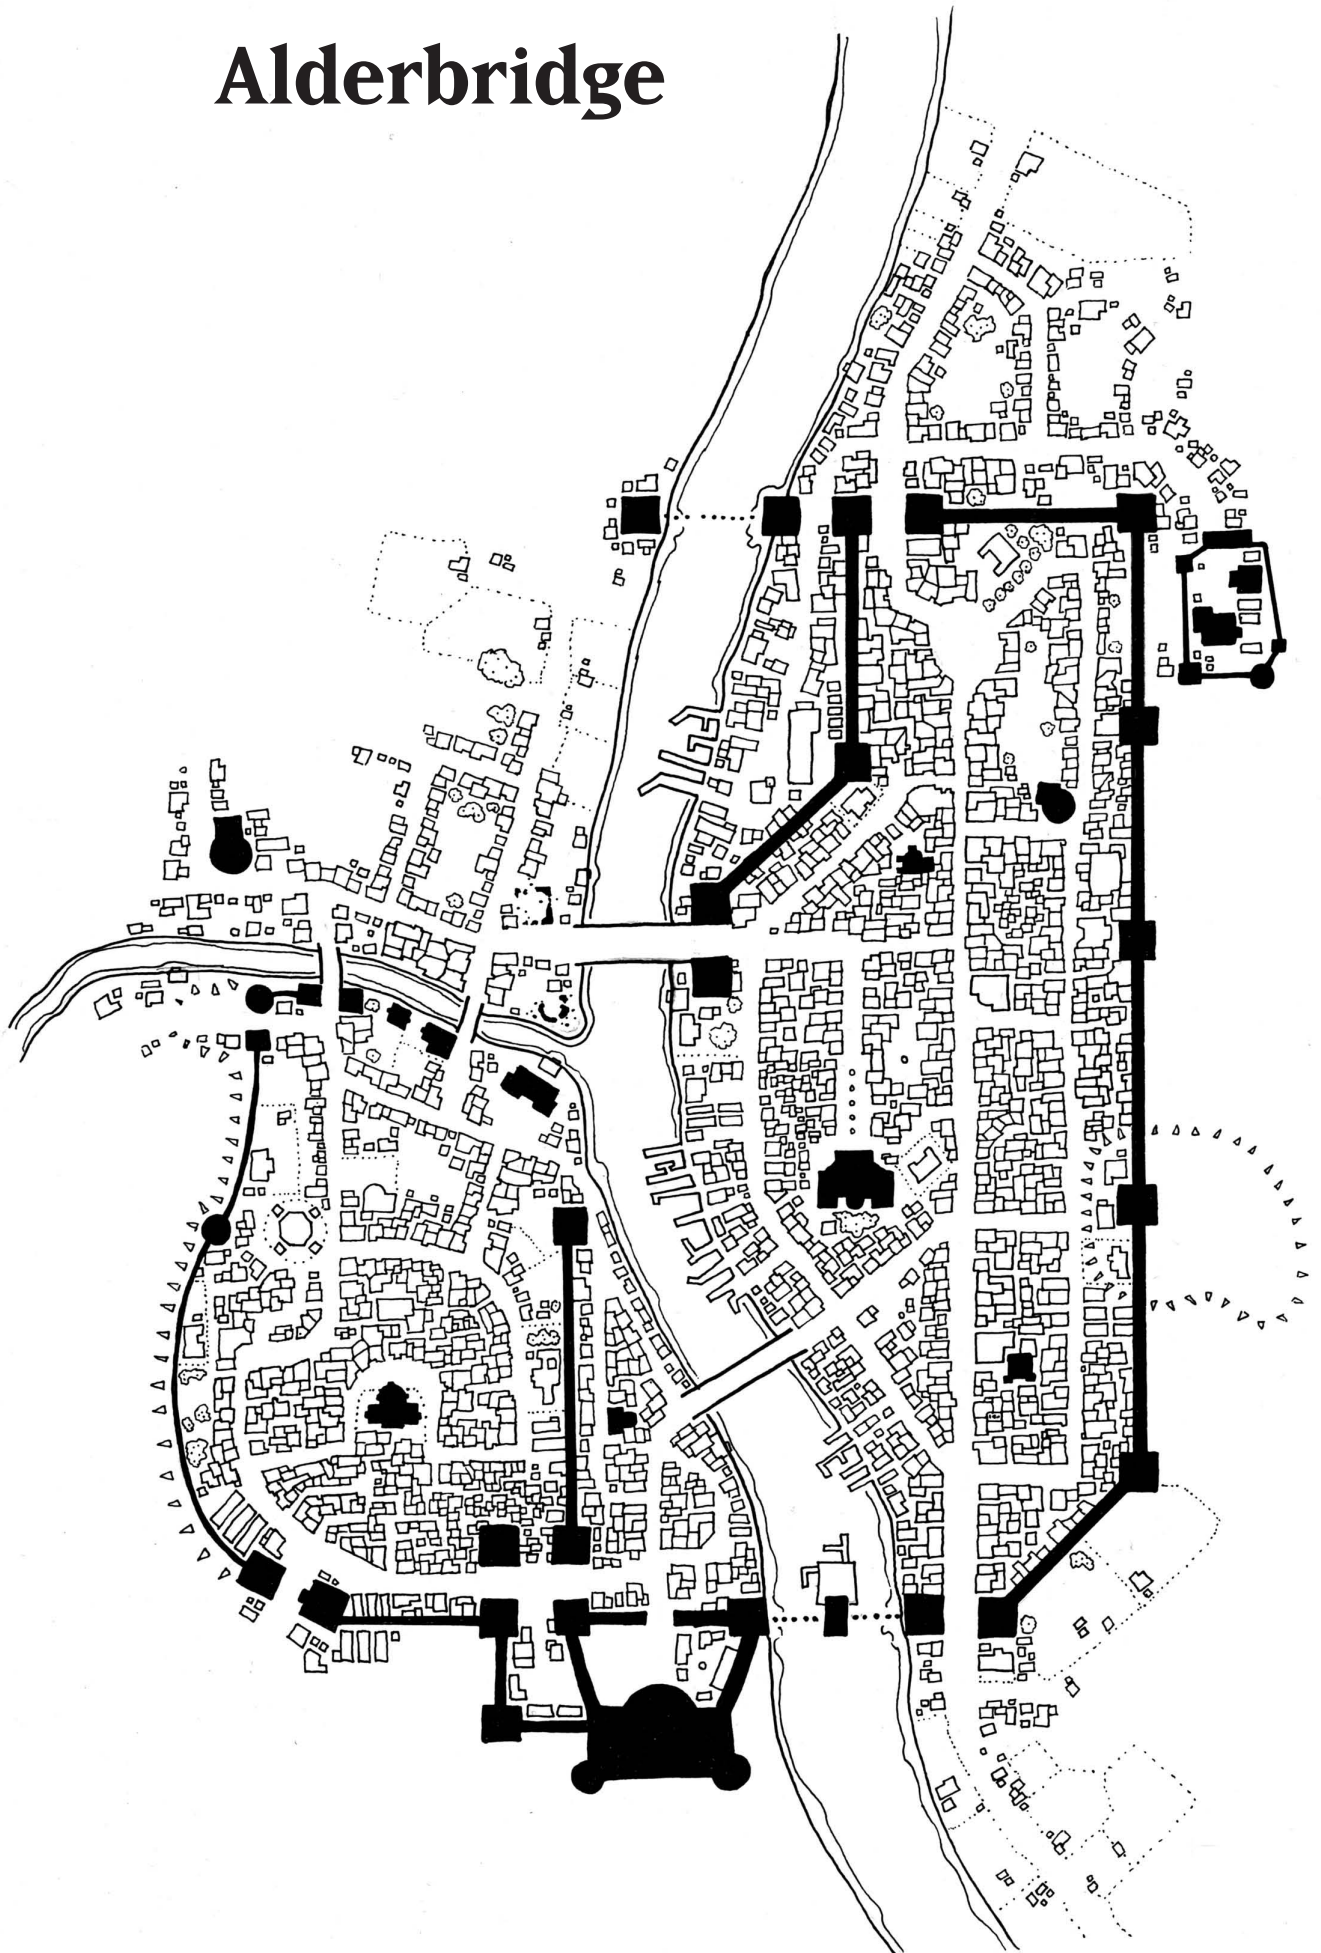

The Temple Complex Ruins

Beneath Crovet's Tower

Alderbridge

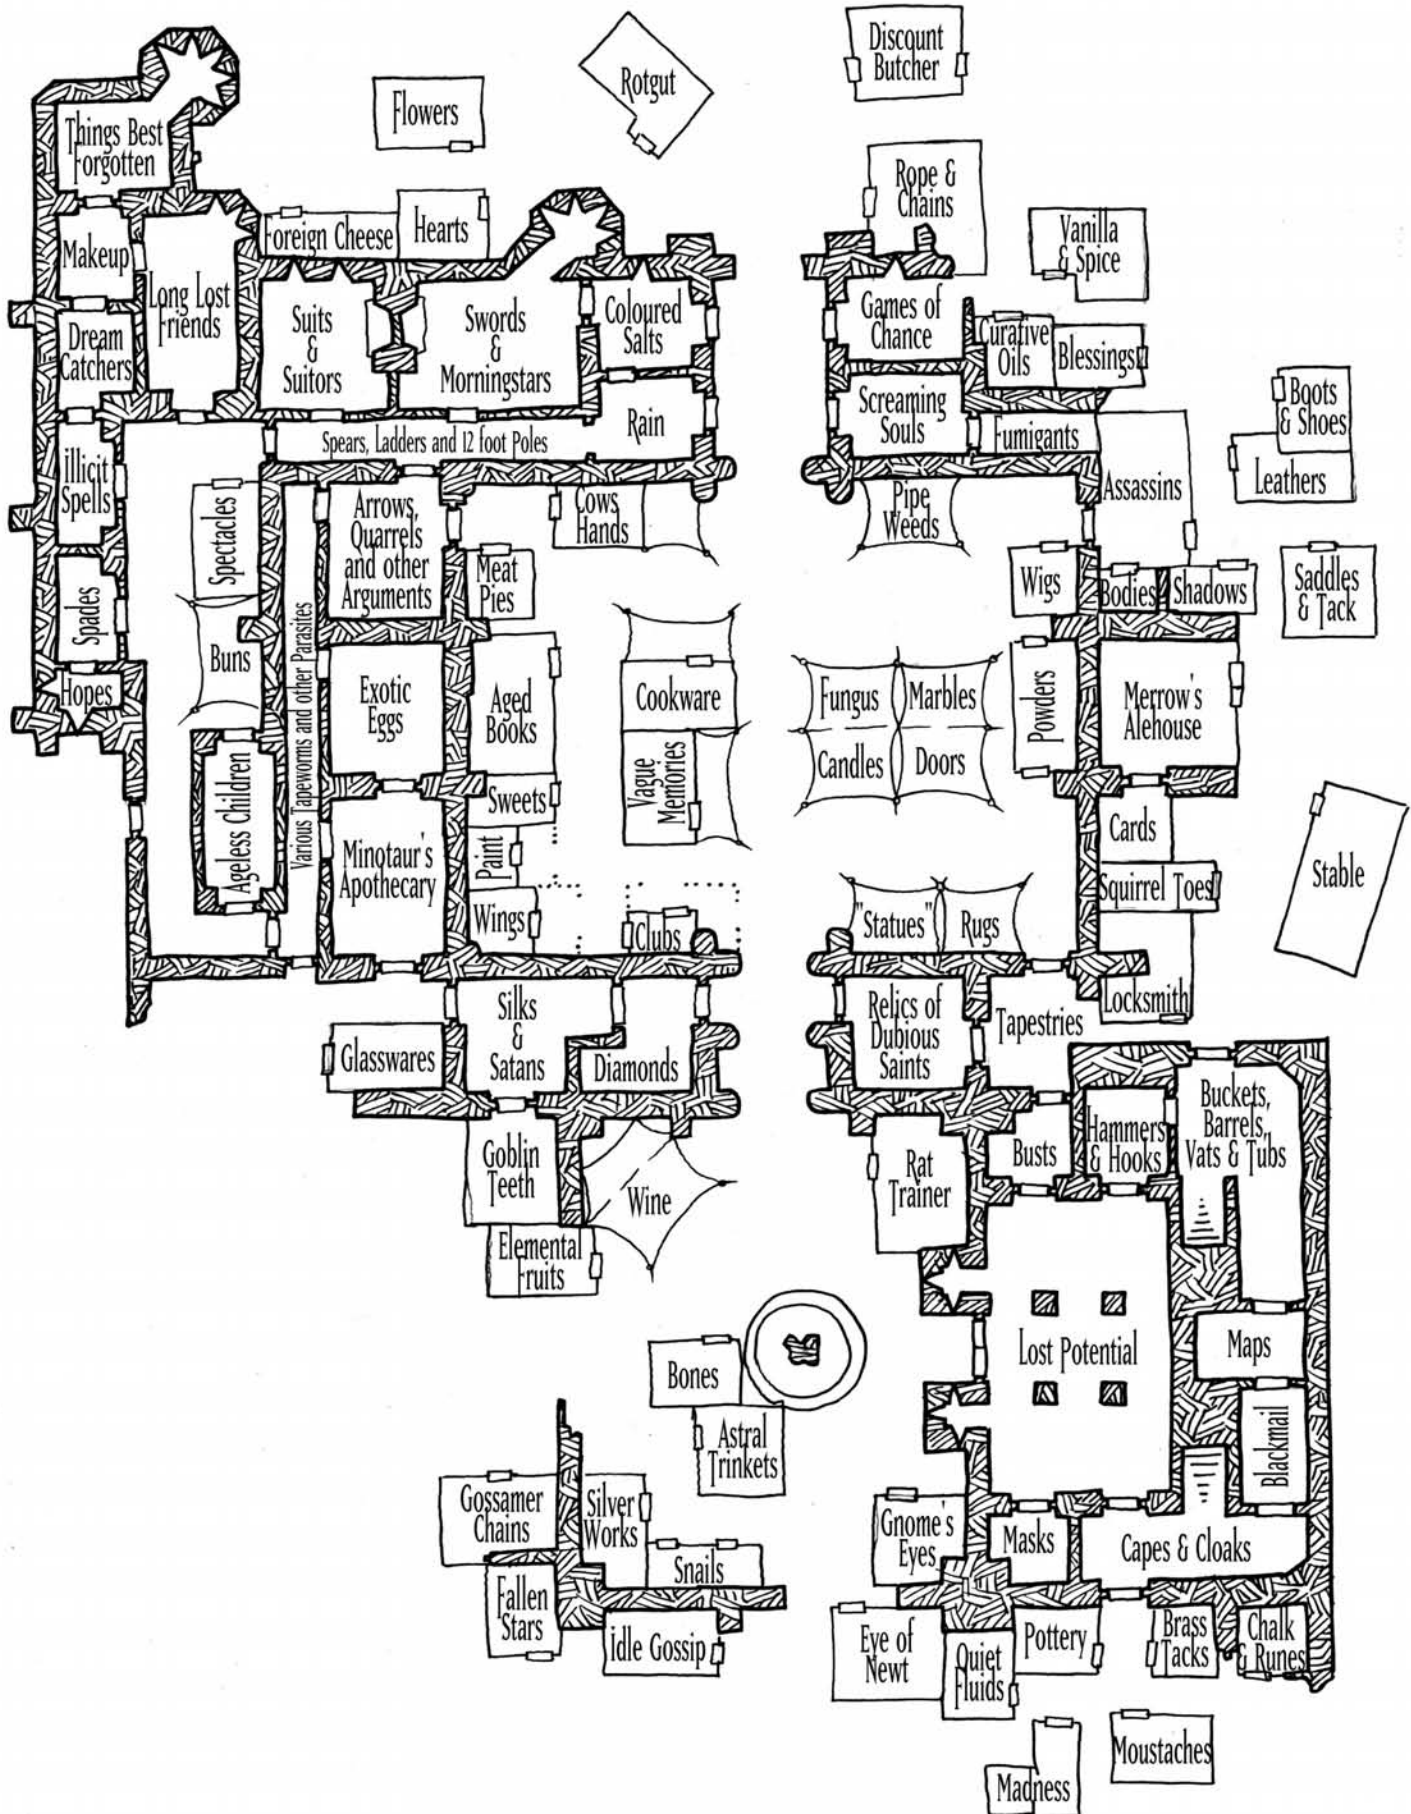

The Incomplete Palace

The Palace Market

The Goblin Market

The Stone Sinister

Dark Spire through Salted Lands

The Redoubt

A Dungeon in 12 Parts

Chamspire Fortress

The map depicts Chamspire Fortress, a complex stone structure with multiple towers, battlements, and internal courtyards. The fortress is surrounded by a rough, irregular border representing the landscape. Key features include a large central courtyard, several smaller courtyards, and various defensive structures like towers and battlements. The map is labeled with "Chamspire Fortress" at the top and "PLS" in a small box on the left side.

Chainspire Dungeon

Still Grotto

Kabus' Retreat

The Spiral Temple

The Ruins of Ettin Manor

The Asymmetric Temple

Under the Asymmetric Temple

Sparrow's Fort
